

## INTERNATIONAL JOURNAL OF MANAGEMENT REVIEWS NEW ASSOCIATE EDITOR SOUGHT

The *International Journal of Management Reviews* is ranked 5/152 in business journals and 5/226 in management journals, with an impact factor of 8.631. The journal has gone from strength to strength in recent years and is now clearly positioned as one of the leading literature reviews journals. We currently have a vacancy for an Associate Editor, preferably with a specialism in Information Systems.

We are looking for senior academics, ideally based in North America, who are familiar with literature review methodologies and ideally have experience as an Associate Editor on another journal, or who have extensive relevant reviewing experience.

The new Associate Editors will join our growing team of nine Associate Editors with a 3-year appointment.

Please contact the Managing Editor, Emma Missen, at [ijmr@bam.ac.uk](mailto:ijmr@bam.ac.uk) if you would like to apply. We especially encourage applications from women academics. Please include your CV and a covering letter explaining why you would like to be considered. The deadline for applications is 9am on Monday 4<sup>th</sup> January 2021.
